WINE ENTHUSIAST

BRINLEY GOLD SHIPWRECK® Rum

89 POINTS

COFFEE RUM

"Though this amber rum flavored with Brazilian coffee extract has a mild coffee aroma, it's quite bold and syrupy on the palate. The flavor leans toward light-roasted coffee, not dark espresso, with a touch of hazelnut on the finish. The coffee flavor doesn't linger on forever, so it's just right to add subtle flavor to cocktails."
