Luigi Bosca

De Sangre
White Blend

— 2024 —

Translated as “of blood,” the 2024 White Blend De Sangre blends Chardonnay, Semillon, and Sauvignon Blanc from long-term growers. The wine’s minerality shines bright, complemented by rounded notes of lemon verbena, green apple, and white flower. The texture evokes wet stone, tasting fresh, yet with grip. There’s fruit and freshness here, around medium-bodied layers of subtle richness and delight.
