Paraiso

— 2021 —

The producer's icon wine, 2021 Paraiso blends 66% Malbec, 26% Cabernet Sauvignon, 5% Merlot, and 3% Syrah, aging the components in French and Hungarian oak. Swirls of plum, blackberry, and raspberry fruit are complemented in thyme, black pepper, and violet, while a length of sinewy tannins and smooth texture find their way to additional notes of pencil shavings, graphite, savory tobacco, and baking spice from the oak. The wine exudes elegance and freshness, with an aging potential of 25-30 years.
