Paraiso

— 2022 —

Fruit from vineyards in the Uco Valley was selected to make this well-balanced blend of 71% Malbec and the rest of Cabernet Sauvignon. The bouquet includes aromas of ripe raspberries and red plums, followed by a dash of mint. It's fresh and has delicate tannins, bursting with berry flavors and subtle notes of herbs and sweet spices. Allow this wine to breathe for a few minutes to enjoy its flavorful character.
