

# BRÜTON

---

## Stoner

Stoner is a strong golden ale with a persistent, creamy, white foam. The nose is powerful, with hints of apricot and dried and candied fruit. On the palate, it has a balanced, harmonious blend of hops, with malty hints of honey and an elegant fruitiness that hides its respectable alcohol content. Recommended pairings would be cheeses, stuffed pasta with saffron and spicy foods. Serve chilled at 48-52°F.
