

CARPINETO

MOLIN VECCHIO
Indicazione geografica tipica
Toscana

2010

“This is hitting its stride. The cherry and plum fruit has mellowed, along with the tannins, and there are supporting elements of mineral, wild herb, leather and tobacco. Still has some tannins to resolve, but food will help. Sangiovese, Syrah and Cabernet Sauvignon. Drink now through 2028. 900 cases made.”
