

CARPINETO

VIGNETO  
POGGIO SANT'ENRICO  
*1° vino rosso di Montepulciano*

“Made with 100% Sangiovese, this has aromas suggesting blue flower, resin, French oak and plum. The linear palate is rather austere, offering dried cherry, prune, licorice, tobacco and a hint of game framed in close-grained tannins that leave a firm, drying finish. Drink through 2025.”
