

Il Bosco

Amazone

della Valpolicella
denominazione di origine controllata

2008

93
POINTS

A beautiful wine that leaves a lasting impression on the nose and in the mouth. For starters, the bouquet shows a fine level of intensity that is bright but not overdone. Due to the wine's age, the aromas veer toward dried fruit, cured meat and dried tobacco. Il Bosco shows a good amount of textural richness with fine tannins and thick structure. There is a hint of sweet cherry jam on the close.
