

Collegiata

Pinot Grigio

The Opici family partnered with a respected producer to create the Collegiata line of wines. These wines represent the pillars of the business offering consumers high quality at an excellent value.

Varietal(s):

100% Pinot Grigio

Vineyards:

Cultivated in the region of Sicily with northeast facing slopes at Valle del Belice, located 300M above sea level. Sicily's classic Mediterranean climate is ideally suitable to the production of wine grapes. The soil is relatively deep, alluvial-based with a medium texture of limestone and sand. Dark soils with a good content of organic matter.

Winemaking:

The grapes are immediately crushed and cold fermented in stainless steel tanks following the harvest to capture their freshness. The wine rested for a brief period before being released.

Tasting Notes:

Fresh fruit aromas of crisp apple and citrus fruit. The flavors are clean and the acidity crisp. Enjoy young.
