

DE MARTINO
REINVENTING CHILE
Single Vineyard

ALTOS DE PIEDRAS
CARMENERE
2013

"The nose is balsamic with some notes of camphor and a stony minerality reminiscent of a Graves (in fact the whole nose is quite Graves-like), aromas of black raspberry and blackberry, graphite, something earthy and a little minty. The palate is medium-bodied with great tension, ultra-fine tannins and good freshness."
