## VIEJAS TINAJAS

CINSAULT  
D.O. SECANO INTERIOR / COELEMU

*This wine rescues an old tradition deeply rooted in rural Chile, winemaking using large terracotta amphorae. Viejas Tinajas ("old terracotta amphorae") has been fermented and aged as naturally as possible in amphorae over 100 years old, without intervention and in search of a faithful reflection of its origin.*  
*An old, dry-farmed vineyard in the heart of the Coastal Mountain Range in the Itata Valley gives life to this wine, some 400 kms. to the south of Santiago and just 22 kilometers from the Pacific Ocean.*

An old, unirrigated vineyard in the heart of the Coastal Mountain Range in the Itata Valley gives life to this wine, some 400 kilometers to the south of Santiago and just 22 kilometers from the Pacific Ocean.
