

CARPINETO
DOGAJOLO
 Toscajno
 Rosato 2016

“BUY IT BY THE CASE”

—Here’s a wine that’s truly the whole package — beautiful to look at and delicious to taste. This rosato, made from Sangiovese (the red grape of Tuscany in Italy responsible for the great wines of the region), will carry you from summer to fall with ease. It’s one of the best new, pink wines I’ve sampled all year.”
