## Dealcoholized 0% Premium Red

### Varietals:

Premium Red Blend

### Tasting Notes:

Expect delicate aromas of crushed blackberry and wild herbs in this alcohol-removed Premium Red. Crushed red berries and plum offset by toasted oak on the palate combine to give a light and refreshing option with classic structure and fine, powdery tannins on the finish.

### Vineyards:

Region: New Zealand  
Practice: New Zealand Sustainable Winegrowing Certified  
Vegan

### Winemaking:

Giesen creates a premium, full-strength New Zealand red wine. Then, they use innovative spinning cone technology to gently distill the wine into three layers: aroma, alcohol, and the body of the wine. They collect the delicate aroma and recombine it with the body of the wine, adding just a touch of premium grape juice to produce the final blend: a refreshing, delicious 0% red wine with low calories.

### Food Pairing:

Enjoy any time you'd prefer a glass of wine without the after-effects. Pairs nicely with an array of light entrees, wood-fired pizzas and anything from the grill.
