

Luigi Bosca

SINCE 1901

DE SANGRE
WHITE BLEND

2022

“The 2022 White Blend De Sangre is 50% Chardonnay (barrel fermented), 35% Sémillon and 15% Sauvignon Blanc from the Uco Valley. Yellow in hue. [The nose presents acacia, herbs, and muscat notes against an oaky backdrop. Dry and malic in the mouth, the refreshing, tart mouthfeel stirs up the flavors to keep the compact palate going. A rewarding white with a throat-tickling touch of oak.]”
