

Opici Vineyards

Homemade Barberone Bianco

The Opici name represents outstanding quality and value, appreciated for generations, since 1913. "Barberone" is a dialect term for a vineyard worker. Many years ago, vineyard workers would receive grapes as part of their compensation. They would vinify these grapes into a "home" blend for their everyday consumption. Opici Vineyards Homemade Barberone is proprietary blend of red and white varietals that has been a staple at our family's table and we're proud to offer our homemade blend to you.

Tasting Notes:

This refreshing chablis is crisp on the palate with lingering flavors of citrus, apple, and pear. Opici chablis pairs beautifully with appetizers, sushi, chicken and seafood dishes. Enjoy chilled.
