## Meursault

100% Chardonnay

One of the oldest wine-growing regions, the first viticulture practices here date back to 1098. It received its AOC designation in 1937

### Tasting Notes:

Canary yellow in color, this Meursault has a bouquet of toasted almonds along with butter, honey, and citrus fruits. On the palate it is rich with a cheerful and appealing taste of hazelnut. Its aromatic power and exceptional balance pair well with crawfish, prawns, and various blue cheeses.
