

# BRINLEY GOLD SHIPWRECK<sup>®</sup> *Rum*

Brimstone Hill's cannons protected the beautiful island of St. Kitts and her valuable sugar cane for hundreds of years. Many a ship met her demise off of this Caribbean coastline, including a British troopship during the Battle of Frigate Bay in 1782. Brinley Gold Shipwreck Rum is blended to match the old rums 'spiked' with exotic spices and flavors that drifted ashore from distant lands. Handcrafted on the beautiful yet treacherous island of St. Kitts, our mission is simple – to make the best tasting flavored rum in the world.

We blend only the finest ingredients into our award-winning flavored – Shipwreck Spiced, Vanilla, Coffee, Mango and Coconut. Enjoy!
