

WRECKERS

Coconut Club

Wreckers Coconut Club is an ode to our simple fan favorite summer drink of Shipwreck Coconut rum and club soda. We add a splash of lime for freshness to deliver summer in a can.

Tasting Notes Coconut Club will immediately put you on vacation with the first sip. The Coconut taste with a hint of lime will make you want to sip this one out of an actual coconut shell.

Production Each can uses Caribbean Rum blended with coconut, lime, and Caribbean Cane Sugar. Each batch is then canned and carbonated.
